Dear Mr. Keith Parnell:

Again, I am writing on behalf of the residents of Northwood Estates Neighborhood Association as it pertains to the sewer system. We would like to know exactly what we can do to assist you in making the necessary repairs to the system to help defray the monthly cost to the homeowners.

Some of our concerns are: (1) The price of the services is not competitive, (2) It is too high and escalating at an unacceptable rate, (3) a disparity in monthly fees (4) we see no evidence of repairs being made to the system even though we continue to be charged astronomical fees.

We look forward to hearing from you soon as well as working with you on this effort.

Sincerely,

Barbara Johnson Williams
